Buenas noches Dra Marin.

PeopleBank ratifica lo que ya me dijo, que ya me enviaron el email **verificando mi empleo con el Commonwealth Bank de Australia**. No queda sino presentar el adjunto Merylena Meruvia.doc y el email de fecha, **Wed, Dec 4, 2024 a 1:09 AM** el cual dice " Please see attached **employment verification for your time at CBA.**" y este email me envió el *Equipo de servicios para clientes y contratistas* y verifica mi empleo en el Commonwealth Bank de Australia. Créame que agote recursos y como usted me dijo hoy se requiere presentar, por favor imprima el email que indico arriba para traducción.

Pasaron 14 años, no trabajo y no tengo relación con el personal actual de Peoplebank. La normativa de las Agencias es que las solicitudes se hagan por escrito /email y el problema es que no siempre revisa el email la misma persona y algunos cooperan y otros no.

Como consecuencia de la tecnología y la automatización , se perdió la relación social, no hay contacto directo con las personas.

Le ruego que haga posible la aceptación del email que le indico y el documento.

Reitero, mi colega Red Newstead era mi Jefe en el Commonwealth Bank y estoy segura que él podría asistir a la Audiencia y ratificar los datos de empleo, además él era mi Senior Manager , tal vez esto ayude?

Un abrazo y muchas gracias.

Hi there Merylena,

We don't use WhatsApp to call contractors I'm sorry.

Please find attached the updated letter as per your instructions.

The third point on your MM Request – with regard to the labour hire licence, it is not required in NSW so we don't have a certificate to match your request. Apologies to you for this.

Kind regards,

Dana
