NOTICE

RECEIVING INSTRUCTIONS

Shippers should check container conditions before use.

Packing in the container represents the acceptance of the container as suitable for carriage.

LOADING INSTRUCTIONS

Cargo must be properly packed and loaded in

the container with appropriate blocking and bracing.

RETURN TO CLEAN CONDITION

Shippers must return this container in clean

condition, without debris, packing and lashing.

All cargo and labels must be removed.

Compliance with the above may be

verified by the claims and recovery of cleaning
